

Frogtown

In addition to the county fair, the fairgrounds host many events throughout the year. The venue has several different locations for small intimate gatherings to large concerts. The grounds has a full service RV park that is open all year. The RV Park has water, power, sewer and wifi. Friends of the Fair support the fairgrounds through infrasture projects and annual improvements. The volunteers through Friends of the Fair are key to the success of the organization.

Who we are...

In the fall on 2008, a group of Calaveras County residents decided to take action and form a non profit association, 501c(3) whose purpose is to enhance, support and create additional community involvement and participation while maintaining the amazing history the Fair enjoys.

Some of the Projects to date include:

- **The Ranch House**
- **Main Entrance Sign**
- **Meeting Room**
- **Brewery Deck**
- **Floriculture Roof**
- **Underground Power**
- **Road Enhancements**
- **Purchased Tables and Chairs**
- **Purchased Dump Trailer**
- **HVAC—Mark Twain Hall**
- **Margarita Booth**

Coming in 2019—New Covered Picnic Area in Cattlemen's Area.
